

I oppose media concentration!

I am writing to you today to comment on Docket No. 02-277. I strongly believe that the FCC should retain all of the current media ownership rules now in question. These rules serve the best long term interest of the public and our wonderful country.

I urge the FCC to not change the media ownership rules in question.

Also, it is very important that the American public have a voice in this process.

Thank you,

Mary M. Schmitt
